ASSIGNMENT 3

BRAND CHOSEN - CHRISTIAN DIOR

### CAGED NEFELIBATA

The world from the eyes of a cloud walker where times are bad but the power of mind and its positive anticipation for the near bright future keeps it alive. The dreamy and dwey silhouettes, free flowing structures with galaxy motifs in accessories reciprocate it in tandem materials like mesh, crepe, fur, leather which would dominate the Autumn Winter 2022/23 Dior Ready to wear Collection.
